

Nashua PAL Scholarships - Trade/Vocational/College Application

Thank you for your interest in the Nashua PAL Scholarships! This application is for all Nashua PAL Scholarships, including the Nashua PAL Allard Family Scholarship. We are excited to hear more about your education journey.

The Nashua PAL scholarships will support both traditional and non-traditional educational pursuits, e.g., college, trade schools, certificate programs, and other degrees or certificates tied to a career track. Funds may be used for any expenses associated with the cost of attending and completing their academic or career training program; this may include tuition, room/board, fees, materials or books, transportation, technology such as a laptop, licensing or testing costs, or 'tools of the trade' required for the program of choice. The candidate should be accepted and committed to attend (or currently attending) a degree, certificate, or professional development program leading to entry into a skilled trade or profession.

Applicants must have attended/participated in a Nashua PAL program, including but not limited to, the PAL Youth Safe Haven, PAL Force, PAL Cross Country in partnership with Gate City Striders, PAL K-9 Cheer, PAL Basketball, PAL Boxing, PAL Street Hockey, PAL Police Explorers, etc. You will be asked to share your experience with Nashua PAL in your responses.

Please note, you will have the option to answer many scholarship questions by typing your response OR uploading a video/document/portfolio/etc. that will answer those questions. We are also happy to set up an in-person interview if that would make you more comfortable.

Please note, only completed applications with responses to all questions via the mediums listed above will be considered. There are 4 sections: **Your Demographic Info**, **Household/Family Demographics**, **Education Opportunity**, and **Tell Us About Yourself**. You are able to save this application on your Google account and return as needed. Once you hit submit, no changes can be made to your application.

All applications received are considered confidential and are reviewed only by the Members of the Nashua PAL Scholarship Committee. By submitting your application, you acknowledge that Nashua PAL may use some of the information provided for marketing or communication purposes while ensuring your privacy is protected. Nashua PAL also reserves the right to share any stories about your coach's or mentor's impact with them so they understand how much impact they may have had on you.

Please be honest and open in your responses. We look forward to learning more about you and supporting your educational journey!
